

Sport rules

The following sports are organised within the field of the First International Bars Sports Games 2019. Participants meeting all required registration conditions will be admitted to the sports. Participants will have to present the official registration transcript, his ID and event accreditation as well as a French Federation for Company Sport Sport licence for French participants only.

Unless otherwise specified, rules of the international federation will apply in each sport by the organising committee and the referees.

A commission composed of a sports director and a FFSE representative will manage litigation on the day of the company and take decision.

Each team designates a team official (captain, manager) who attends the whole game and has authority to talk to referees and the sport commission.

In case of force majeure, the only organising committee can take decision, after consultation with the sport director, to modify the rules and organisation of a tournament.

To avoid a team forfeiting due to a lack of substitute and to promote conviviality, it will be possible for a team to substitute an injured player by another player (from the same team or another one). This will be regulated by both teams' officials as well as the sports director to avoid litigation.

For equity, the game played with an outside substitute will be considered as a loss (forfeit).

Score for a game played without outside substitute will stand even if the team later forfeits during the competition.

Participants are asked to be on site 45 minutes prior to the start of their competition. Participants are declared forfeit if they cannot meet their schedule. This forfeit only applies for the one game and does not have repercussion on the other scheduled games.

International participants have to subscribe to an individual accident and repatriation insurance for the competition.

Official match balls and shuttlecocks will be supplied by the organising committee. Teams are advised to bring their own training gear as it will not be supplied by the organising committee.

Full detailed schedule will be available after the inscriptions official closing

TRACK AND FIELD

All track and field disciplines are individual without age categories.
Competitions will be of long jump, 100m, 800m, 5,000m and shot put.

Track and field competitions will take place on Wednesday, July 10th 2019 from 1pm to 6pm, Thursday, July, 11th 2019 from 10am to 5pm and the finals on Friday, July 12th 2019 from 9am to 1pm.
